Missions

We are filled with anticipation and excitement as we look ahead to **May's Mission service opportunity.** This mission is not just a time for service, but a chance for us to come together and significantly impact caregivers within our church. We are eager to make a real difference in the lives of our church family, which includes older family members who require much care. Your participation and enthusiasm are key to the success of this mission.

Kim Baldrige and Laurie Taylor have identified a significant need within our church family – the need for a **"Companion Care"** ministry at Shermont. The ministry is a service that shows our love and care for our elderly members and their families.

More information to come in the May Newsletter!

If you have any questions about the Companion Care ministry, contact Kim Baldrige at 434 421-2279.
